

# A touching tribute for your pet

Saying good bye to a beloved animal can be a sad, stressful time for families. In partnership with Peartree Impressions, the WCVM Veterinary Medical Centre (VMC) offers an option for you and your family to create a one-of-a-kind keepsake in memory of your beloved pet.

Peartree Impressions is a Calgary-based ceramic studio that specializes in providing unique ceramic paw print impressions to commemorate the lives of pets.

## Here are the steps in the process:

- The VMC clinical team will use one of Peartree's all-natural clay impression kits to take a paw print of your deceased pet. The VMC provides one complimentary paw imprint impression (after euthanasia) to the animal's family. VMC staff can take additional impressions for a fee of \$19 (plus taxes) per print.
- Our VMC staff will provide your family with a paw print impression in a protective, air-tight container. Once you are ready, you can send the clay impression to Peartree Impressions for personalized options that suit each family's taste and budget.

Visit the Peartree website ([peartreeimpressions.com](http://peartreeimpressions.com)) for details about personalized style and colour options. Costs range from \$69 to \$239. For more information, contact Peartree Impressions (1-888-836-7297 or [info@peartreeimpressions.com](mailto:info@peartreeimpressions.com)).

## Additional option

For families who wish to decorate their pet's paw print impressions themselves, the WCVM Veterinary Medical Centre has arranged with T&T Tree Pottery Supply Ltd., a Saskatoon-based company, to provide VMC clients with a basic baking or glazing service.

When you are ready, you can take your pet's paw print impression to T&T Tree Pottery's studio for baking and optional glazing.

## COSTS

Baking of paw print impressions:  
\$3 plus taxes

Clear glazing (optional):  
\$15 plus taxes
